

# TECHNICAL BULLETIN

## QUIK WAX™

High-performance, spray on carnauba protection offers dramatically deeper, darker reflections with increased gloss and shine. Just spray on and wipe off to wax your entire car (wet or dry) in just minutes.

- Part #:** A1616 – 16-oz Spray
- Packaging:** 6 per case
- Features:**
- Deep gloss with carnauba wax protection
  - Spray on wet or dry car
- pH:** 6.85-7.35
- Paintable:** No
- Dilution:** RTU (Ready to use)
- Application Method:** Spray on, wipe off
- Directions:** SHAKE WELL. Mist Quik Wax™ directly onto a cool clean wet or dry surface, preferably in the shade. Sprayer should be 8 – 12 inches away from the surface. Spread Quik Wax evenly over a portion of the car using a clean, soft, terry cloth towel or Meguiar's® Supreme Shine™ Microfiber. TIPS: To avoid overspray near windows and crevices, spray Quik Wax directly onto a terry cloth towel or foam applicator and use it to apply wax to the surface. If any streaking occurs, reapply product to that area making sure you have even coverage. Neglected surfaces may need to be pre-cleaned with a paint cleaner. DO NOT APPLY TO HOT SURFACES. Do not apply to cloth and vinyl tops.
- Health rating:**
